Hello Everyone

We are now fully involved in the teaching and learning processes across R-12. Secondary school students and staff are working diligently to meet deadlines and complete assignments at a quality that we expect will be at a C or better. This means that students must work efficiently at school and supplement this with extra work at our study sessions held for our students at lunchtimes and afterschool. Completing homework is also an important aspect of being a successful student.

I want to thank all the parents of Secondary students who were able to meet with staff over the past two weeks at parent, teacher interviews. I thank staff for making themselves available afterschool to discuss student progress with parents. This is a valuable and important strategy in providing support for our students. If you have not been able to meet with your child’s teacher please contact the school and we will try to make arrangements for you to have a chat.

Over the past week I have been meeting with a number of middle school students about the inappropriate use of mobile phones, snap-chat, screenshot and sending messages and images to each other. Please have a discussion with your children about the dangers and legal aspects of the inappropriate use of mobile phone technology, either at home or at school. Our school policy allows students to use phones ONLY for learning support activities, eg, as calculators, recording devices for data/experiments. We do not allow students to use phones during lessons for any inappropriate activities. However I am aware that sometimes students forget about our policy and agreements, in these cases, if a student is making phone calls, etc during a lesson, we will confiscate the phone. Your support will be vital in us working together to help each student use mobile phones appropriately.

Many thanks to staff and parents for your support during last week as our yr 3,5,7 & 9 completed the NAPLAN testing. My thanks to our Deputy Natasha Agars for coordinating the whole testing program. I believe we had a very smooth week.

Caring, Respect, Enthusiasm for learning and Working together.

As an area school, we selected the above as the characteristics we would like to see our students develop. We would like to see each child act in a way that promotes them in a positive manner in our school and in the community. We also expect staff and students to model positive behaviour for learning. Please set aside some time to share these ideas with your children.

Caring is showing respect, giving love and attention to people and things that matter to you, including yourself. It is showing concern, helping people, being nice, listening to others when they need help and making people feel safe.

Caring for yourself and others can make our school environment a better and safer place.

Congratulations to Taylah Haire and Philippa Allen on winning the Gymkhana handicap at the Eyre Peninsula Secondary Schools Gymkhana for a third year in a row.

We can demonstrate Respect the way we behave and talk to others. Using manners can show others that we are respectful. Saying ‘thank you’ and ‘please’, waiting patiently, listening and valuing other people’s opinions demonstrates respect.

Showing Enthusiasm, especially for learning and having a positive attitude and work ethic will prepare students for the world of work or further education.

Working as a positive team member is an important skill to have at all times.

The school canteen has reopened and I want to thank everyone who is supporting our canteen. If you have any suggestions on how we can improve the service or have ideas for the menu, please contact me at the school.

-Ray Marino, Principal-

**ACTING DEPUTY NEWS**

**CULTURAL INFUSION**
On Friday we have a visiting artist group working with our students for most of the day. This group of Indigenous artists will be sharing their Aboriginal Culture with us. Students from Port Neill Primary School will be joining us on the day.

We will begin with an introductory session in the gym and then students will work in 3 groups rotating through 3 different workshops:

- Aboriginal Art
- Dance
- Story telling and Cultural History.

After lunch in lesson 6 we will end the workshops with a culmination event and performance in the gym.

We hope all students have an enjoyable and enlightening day.

**LIBRARY NEWS**

**HATS**
The National Simultaneous Storytime is an annual event organised by Australian Library Information Association, and held during Library and Information Week. This year it’s on Wednesday May 25th and we’ve been getting by reading books about hats; preparing pictures for our display that Mrs Dennis put up on the wall for us; and last week Miss Nelligan’s year 2/3 students spent a very creative lesson making hats with newspaper.

**Interschool Sports Day**
Our team of just over 70 competitors travelled to Kimba on Tuesday of week 10 to compete in the Interschool Sports Day. The competitors were fortunate enough to experience ideal conditions with perfect weather and the organisers doing a great job with the grounds. The team performed exceptionally well again this year, winning both the Open and Ball Games Shields.

There were many excellent individual efforts with students consistently coming back with ribbons and many winning events. I was particularly pleased with every competitor’s commitment and willingness to push themselves to achieve personal bests and try their hardest for the school. Congratulations to Cameron Taheny who broke records in the Intermediate Boys Long Jump, Triple Jump and High Jump (an outstanding achievement!) and to Jack Grosser who broke the record for the Junior Boys Triple Jump.

I would like to thank all the staff and students for their support and the effort put into practices and competing on the day. Thank you also to the many parents and relatives who helped transport the team and support the athletes. A special thanks to Alana Simes for the birthday cake she provided for those of us celebrating a birthday!

Final Scores:

**Open Shield:**

- Cleve: 1068
- Cummins: 1052
- Kimba: 891
- Tumby Bay: 879
- Wudinna: 847
- Cowell: 731
- Lock: 335

- Cummins: 357
- Cowell: 337
- Cleve: 322
- Lock: 279

**Handicap Shield:**

- Kimba: 1388
- Wudinna: 1314
- Tumby Bay: 1236
The annual EP Football and Netball Challenge will be held on Tuesday 31st May in Port Lincoln at the Ravendale Sporting Complex. The day consists of competitions for Open Football, Open Netball, Year 10 Netball and Year 8/9 Netball. We have entered a football team and two teams in both the Open and Year 8/9 Netball.

Schools involved are Cleve, Cummins, Cowell, Lock, Tumby Bay, Ceduna, Navigator, St Joseph, Streaky Bay and Port Lincoln.

Spectators are most welcome to come along so if you are in Port Lincoln for the day and have some free time I’m sure our competitors would welcome some support. The programs are still to be finalised but games usually commence at approximately 9.30am with the presentation of shields and pennants occurring around 2.00pm.

Help is needed with umpiring and coaching on the day. If you are able to assist please contact me at the school.

Graeme Byrnes (Physical Education Teacher)

AROUND THE SCHOOL

Year 4/5 students began their Reading Groups supported by parent/grandparent helpers this week.

Cooper, Thomas and Tex are pictured reading ‘Blubber’ by Judy Blume.

Cooper said, “I was a bit frightened and nervous to read out loud at the start, but once I started I was fine.”
2016 CENSUS FIELD OFFICERS

Up to 38,000 opportunities to make a difference...

We're seeking up to 38,000 Census Field Officers to join our team and play a role in shaping the future of Australia.

If you're community minded, comfortable using a computer, mobile or tablet device, are an Australian Citizen or have the legal right to work in Australia, then jump online and apply today.

A Census Field Officer's duties may vary, depending on their assigned area. Job seekers from diverse backgrounds are encouraged to apply.

Apply now at abs.gov.au/careers

June 3RD
6PM

Cleve Golf Club
Tickets $25

Tickets include a glass of bubbles upon arrival and a cheese platter to share with your friends.

Tickets are available from the Cleve Area School Front Office, Post Office and Mint Fusion.
We have had a great start to the year and we have already learnt so much. We went in the school swimming pool for the first time and enjoyed the Dash ‘n Splash in Term 1.

We have reflected on our learning.

Zayne said, “We learnt to write.”

Tahli reminded us, “We learnt about what boats are made of.”

Libby added, “And that some boats go on other boats, like rescue boats.”

Tyson enjoyed making a model of a boat and testing if it could float.

Lexi learnt to use the computer.

Ryder is proud of learning to read.

Ethan said, “I remember the letters and keep in the line.”

Bella said, “I learnt to not go out the lines and to be neat.”

We have finished learning all our Jolly Phonics initial sounds and now we will review them and start looking at the tricky ways some words and sounds can be spelt. Our reading is getting better and we are starting our Word boxes and sight words. This term we are hoping to grow some vegetables to help us with our growing brains, we can learn about how they grow too.
Foster Care Open Days
Monday 23rd, Tuesday 24th & Wednesday 25th of May
9:00 am until 5:00pm
Centacare Country SA
32 Mortlock Terrace
Port Lincoln
Drop in during the day and meet the fostering staff
Learn about what’s involved in fostering and the process of becoming a foster carer and
Learn how you would be supported as a foster carer
