Hello Everyone

We are near the end of another very busy term that has been full of activities and events for students and staff. We can all be very pleased with the way students, staff and parents have worked together throughout this term.

Educational research tells us that a strong correlation exists between students achieving their personal best and parent involvement in the school. So I thank all the families who continue to be involved in our school and support the work of our teachers in the classroom.

How can we help our students to be more successful at school and later in life?

There are many ways to support our students to be more successful. I include the following points as discussion starters for parents and children:

- Successful students attend school every day.
- They have a positive attitude to school.
- They try to lead a balanced lifestyle and are prepared to give their best.
- Successful students also build and maintain positive relationships with staff and other students.

How are you helping your child/children to be successful at school?

As mentioned above an important factor in student success is the relationship between school and home. We must work in partnership, as a team, being fair, being firm and acting in a cooperative manner to support the student. Sometimes this is not easy. Our experience tells us that maintaining a strong partnership with parents and the community has many benefits for the students. I urge you all to keep working with us as we strive to provide a quality educational service for our Cleve community.

If you have any concerns about your child’s education please contact or email your child’s class, subject or Home Group teacher. We will try to respond as soon as possible. Wellbeing or safety concerns are usually directed to the Home Group teacher and/or our student counsellor Trevor McDonough. More serious concerns should be directed to the Deputy or myself. We believe that it is easier to deal with the issues as they arise rather than waiting until these become more serious. This tends to make the issues more complex and usually harder to resolve.

The Cleve AS Governing Council met last Wednesday and are looking for parents to help on the gates at the EP Field Days August 9th, 10th & 11th. This is part of the fundraising program for the year. Please contact the front office staff if you are able to donate some time over the three days.

As a staff we have started planning for 2017. It is very helpful and important for us to have an accurate estimate of student numbers for next year. If you know of any family or you are looking at moving from this area, please let us know so we can adjust the enrolment estimates.

Ray Marino,
Principal

End of Term

As another busy term is drawing to a close I wish to thank all staff, students and parents for their efforts to ensure term 2 was a successful one. As well as outstanding learning in our classes, the primary school has had a variety of extra curricular activities including: SRC induction, NAPLAN, Aboriginal Cultural Workshops, Year 7 GRIP leadership training, Auskick, Popcorn Milkshake day, primary assembly, SAPSASA netball and football trials, Accelerated Reader reward at Sims Farm, PALS (Play at Lunch time run by Year 7 leaders). Next week we have a “Pet Safety” presentation and Accelerated Reward trips to Whyalla Bowlard for Years 2-5 and ‘Finding Dory’ movie in Port Lincoln for Year 6/7’s.

ACCELERATED READER
This term has been our most successful term ever.
For the first time ever, we have had one entire class earn their Accelerated Reader goals; well done to Miss Every's Year 6 class for their outstanding reading efforts.
Two students joined the MILLIONAIRES CLUB for reading one million words -- Congratulations to Taylor Dolling and Will Humphries.
Riley Masters in year 3 has achieved the most points ever in our school.
  Riley was aiming for 7.7 points but actually kept on reading and has read 91.8 points this term. All students, of course, aim to achieve 100% of their goal, Riley actually achieved 1192.2% of his goal and is still reading.
  He has achieved this goal with an average of 90% accuracy (eg has achieved at least 9/10 for all his quizzes) and is reading beyond his expected book level.
  Riley has read 52 books this year and 946, 176 words. We are certain he will become our youngest ‘Millionaire’ before the end of the term.
OUTSTANDING ACHIEVEMENT by Riley, truly amazing.
Congratulations to all goal achievers. We have also reached a new record of Goal Achievers. Our highest ever was 72, this term we have 85 goal achievers. Amazing. Our wonderful staff have rewarded these efforts with 3 reward events. Year 2-5 students have been able to choose between a sleep over at Sims Farm this week or a trip to Whyalla for Ten Pin Bowling next week. Miss Every is organising a trip to Port Lincoln for Year 6/7 students for a private screening of ‘Finding Dory’ next Wednesday.

PRIMARY ASSEMBLY
Last week our creative year 4/5 class presented this term’s assembly with a Teacher Feud theme. Congratulations to all award recipients, it is fantastic to hear about all the outstanding learning and positive behaviours happening around our school.

Acting Deputy Principal

Relay for Life
Relay for Life is a fundraising event for the Cancer Council of South Australia, which occurs in Port Lincoln every 2 years.
Teams of 10 to 15 people form at this time of year to begin their fundraising activities.
On Oct 22nd the actual relay will occur on Poole oval beginning with an opening ceremony, acknowledging those who have survived this disease and their carers.  These survivors and carers begin the relay with the first lap followed by the teams in their fancy dress, reflecting their team theme.
At dusk is a candle light ceremony, a very moving event remembering those who have not survived the journey.
The relay continues through the night representing how the cancer journey is 24 hours a day for both the patient and their carer.  (it is not compulsory to relay all night but many do)  The relay is completed with a breakfast cooked by Rotary on the Sunday morning.
Briefly; Relay is a fundraising event culminating in a celebration, acknowledging those who have survived, those who lost their battle and at the same time a party for the teams acknowledging their fundraising efforts.
The funds raised go to the Cancer Council of SA and are used for research (The Hanson Centre for Cancer Research) and support services (such as Green Hill Lodge and the phone help line) here in South Australia.

Katie Jones is looking for any old plastic cards (gift cards, itunes cards, etc) for her spectacular Artyculture dress. Rebekah Rosensweig is looking for the blue plastic sheets from pastry for her wonderful Artyculture creation.
If you have any of these things can you please send them to front office.  Thanks.

Yoga Classes In Cleve

The recent Fun(d)raiser Fashion Parade held for the Cleve School Community Library in partnership with Mint Fusion has raised an amount of $4500! We are very grateful for the huge support offered by our community and the tremendous sponsorship of local businesses. Particularly Ramsey Bros and Quinn Transport who sponsored the food platters and now have also sponsored the freight costs for our new shelves.

These have now been ordered and with so much money we have changed our priorities and have decided to complete the replacement of the adult fiction shelves. So combined with some funds still available from the CWA we have been able to allow this stage to go ahead. The cupboards should arrive in the library in about 4 weeks.

Thank you to our wonderful sponsors:

Mint Fusion 4 gift vouchers and the organisation of fashions for the parade.
Quinn's Transport & Ramsey Bros for sponsorship of the cheese platters and freight for our new furniture.

Bendigo Student Banking

Whether it’s for the latest craze in computer games, for a new bike or just for a rainy day, we all know it’s never too early for our kids to start learning about budgeting and saving.

That’s why at Bendigo Bank we’ve introduced our Student Banking Program and Bendigo PiggySaver Account – perfect for primary school aged savers.

With no account keeping fees, no transaction or government fees and no deposit restrictions – plus a host of fun games and rewards for young account holders – a Bendigo PiggySaver Account makes saving easy.

Opening an account is simple. All you need is your child’s birth certificate and Medicare card. Drop into your nearest agency at Cleve Pharmacy, 31 Main Street or phone 8628 2072.

The parent of guardian will need to satisfy the criteria for the 100 point identification check. The Bendigo PiggySaver Account is issued by Bendigo and Adelaide Bank Limited, The Bendigo Centre, Bendigo VIC 3550. This material contains general advice only. Please consider your situation and read the Terms and Conditions available from any Bendigo Bank branch, or visit www.bendigobank.com.au before making any decision. ABN 11 068 049 178 AFSL 237879.
