Hello Everyone

The planning for 2017 is in full swing. Subject counselling for our senior students has been finalized and we are now looking at staffing requirements for next year. The R-7 staff team has commenced the discussions for establishing classes across the R-7 section of the school.

I have embarked on a process of having a professional conversation with every staff member to capture all the voices to help me with my own performance and the strategic planning for 2017 & beyond. I also intend to speak to all the Year 11 & 12 student as well as some parents.

There has been much debate amongst some parents and students as a result of the SRC deciding to support the ‘Wear it Purple Day’. I want to thank the parents who followed the appropriate channels and protocols in sharing their concerns about this issue with me. I appreciate parents speaking to me about issues and concerns and we always try to deal with these in a confidential, sensitive and fair manner. We have currently postponed our involvement in the day until we have had more discussion and the SRC students appreciate and have an educated view of the significance of what the majority is supporting. The School Governing Council members had a brief discussion about this topic. Please contact me at the school if you need any further information.

On Tuesday 30th August Amy Nield, Gabbie Stringer, Nathan Peters and Benn Posthumus from Cowell travelled to Adelaide with Helen Heron and myself to be part of the Nuclear Fuel Cycle Student Forum at Adelaide Oval. The students represented the Central Eyre Partnership and were involved in a consultation process throughout the day. Thirty Seven partnerships from across South Australia were represented. I was very impressed with the structure of the day and the quality of input by all the students. The Royal Commissioner Mr Kevin Scarce addressed the students in the morning and Jay Weatherill, the Premier joined the group after lunch. Many questions were put to the Premier as a result of the session. I believe that one of the best questions was whether the Premier was really going to listen to the student voice and take on board their feedback.

Our school values authentic student/learner voice and we have a Democracy based R-12 SRC. We have been at the forefront of student voice especially in the areas of student feedback on staff performance. At the end of every semester students complete staff feedback forms. This data is then used by staff and the leadership to discuss ways of better meeting the needs of the students. Staff are working to enhance the partnership/cooperation to the point where we are collaborating with the students so that we can reach a phase where we are co-planning the learning. Travelling on this journey has it’s positives and challenges. One challenge when we are involved in this process is to ensure that staff are not wrongly accused of pushing a particular personal value or cause. As a staff we have developed a ‘Code of Conduct’ and are bound by the SA Public Sector Code of Ethics. I have no evidence of staff in our school not following the protocols in these documents. I would be pleased to discuss any issues, concerns or positive feedback you have about this topic. Governing Council members have decided to look at the DECD Student Voice Policy and review our current policy. We will provide more information about this in the future. I would be interested in your views about this important topic.

Many thanks to the families that have informed us about where their children will be next year. If your child is moving to another school and you have not yet informed us please do so ASAP. This will help us with class structures and staffing.

Students have been enthusiastically practicing for the Reception – Year 3 Sports Day which will be held next Friday, 16th September commencing at 9:15am. The day will conclude at approximately 2:30pm at which time students may go home with their parents.

If your child is to be collected by someone other than yourself, please send a note to the class teacher with instructions. If your child is to go home on the bus, they will return to the classroom until the end of the day.

Please also remember the following:

- All children will require a water bottle
- If sensitive to the school supplied sunscreen they should bring their own sunscreen
- T-shirt or shorts of the team colour
- Suitable footwear for running, jumping and kicking.

Packed lunch or lunch order. The canteen will be open as normal. Year 9’s will be making and selling Yiros. SRC will be selling drinks.

Come along and enjoy the day. See you there!

SUMMER UNIFORM

The weather is beginning to get warmer and students are beginning to wear shorts. A committee of staff and parents are in the process of reviewing our school uniform policy following some concerns about the choices some students are making for winter and summer ‘bottoms’ eg. Trousers and shorts. We understand that many students will be wearing shorts that they currently have at home, however, we wish to ask those families that are in the process of purchasing new school shorts for their children, to seek shorts of a conservative length. Running shorts are quite popular, particularly amongst our female students, but there are concerns about the appropriateness of their length for school events.

Mint Fusion have sourced some suitable styles for primary and secondary students and currently have these in their store for parents and students to have a look at and pre-order.

Public Consultation Meeting
To analyse the recent survey and discuss ideas for the improvement of our library and service.
When? Tuesday 27th September
Where? Library
Time? 10.30am - 12.30pm

School photos

A reminder these will be taken in the drama room next Tuesday 13th sept. Envelopes went home last week and you can order and pay online for individual and family photos, without the need to return the envelope. This can be done up to midnight on Monday evening. LATE ORDERS are accepted but with cash or cheque only on the day.

There is also a spot to order last year's photos if necessary.

Family photos start at 12.00 and we ask that older students collect their younger ones especially the Reception and Year 1 children.

Please ensure your children are in school uniform and bring their best smile.

BOOKWEEK

What a wonderful day Mrs Turner organised for us during Bookweek, I heard I missed a great BBQ!

The winning books are on display in the library and we invite parents to come in, browse and borrow these great stories and share with your children.

I had a wonderful experience at the conference I attended in New Zealand and especially being with Nadia Wheatley when it was announced that she’d won the award for her story ‘Flight’. We have been sharing some of these stories with the students and having some great discussions around them and the subtle little under stories that they sometimes contain- great conversation starters around depression, refugees, our day, and our world and how we live in it. Come and enjoy with your children.

All urged to attend as new uniforms will be discussed.
Amy Nield, Gabbie Stringer, Nathan Peters and Benn Posthumus from Cowell Area School had the opportunity to discuss the various aspects of the outcomes of the Royal Commission on Nuclear Fuel in Adelaide last week. Students examined the recommendations from the Citizens’ Jury outlining the key points contained in the Report. They were able to put forward their views about this important topic.

Five Key Areas were discussed:

- The Nuclear Fuel Cycle - the findings and recommendations from the Royal Commission’s Report
- Safety - transport and radiation
- Story Radioactive Waste - what is a Geological Disposal facility?
- Economical Opportunity - potential benefits and costs for South Australia
- Community Considerations and Consultations - understanding social consent and community consent.
To celebrate the 2016 Book Week we had an aussie bonfire on the old oval.

We were lucky enough to have Nathan Byrnes to share one of the Book Week finalists “Piranha’s Don’t Eat Bananas”. Mr Malcolm Nield performed a poetry recital of Banjo Patterson’s “Mulga Bill’s Bicycle”.

Ryan Hannemann and Rachelle Hannemann cleverly sang “I Still Call Australia Home” and Jock Duncan and Mr Marino performed another of Banjo Paterson’s songs - “Waltzing Matilda”.

Students dressed as “Australians” and we enjoyed a lovely sausage sizzle cooked by our wonderful Year 7 SRC reps (Chloe, Britney, Angus and Renae).

Cleve Area School
Junior Primary Sports Day
16th September
This assembly is on Thursday the 24th of November commencing at 9:20am in the school gymnasium. Parents, community members and friends are invited to join us as we celebrate the achievements of students and supporters of Cleve Area School in 2016. You are also invited to submit nominations in many of the award categories presented at this assembly. These are:

Peter Treloar Citizenship Award - Student
Sponsored by Peter Treloar MP Member for Flinders and presented to a senior student who has demonstrated outstanding citizenship qualities by involvement in a wide range of school related activities both within the confines of the school and wider school community. Selection Criteria—This award shall be presented annually to a senior student at Cleve Area School who best: brings credit to themselves and the school by their actions both within and outside the school community and who shows leadership qualities and is a good role model to other students. Please return nominations to the front office by Wednesday 26th October.

Rowan Ramsey MP School Community Award - Adult
This award is an acknowledgment of ten consecutive years of service to a recognised parent body (i.e. Governing Council, Parents and Friends, Volunteers etc.) or outstanding and exceptional service to the school. Please return nominations to the front office by Wednesday 26th October.

H. D. Forgie Memorial Arts/Technology Award - Student
This award is presented to a student in recognition of outstanding achievement in one or more areas of the Arts/Technology in the school and in the wider community. The selection criteria are achievements in examination results from school subjects and non-school subjects and leadership and enthusiasm for an area of Arts/Technology. The award is made to students from any level in the school. Please return nominations to the front office by Wednesday 26th October.

Sports Blue Award - Student
This is an award that is presented in recognition of exceptional performance efforts and achievements in the area of sport in the school foremost, but also in the wider community. Nominations are invited for this award and should be forwarded to the front office by Wednesday 26th October.

Caltex All Rounder Award - Student
This award is presented by Caltex with the objective of lending encouragement to "all round" students in their final year at school. It is not intended to recognise the champion with a speciality in a particular area that already receives acclaim. Rather it is intended for someone who participates in a wide range of school activities. Please return nominations to the front office by Wednesday 26th October.

Attached to this edition of the newsletter is a copy of the Sports Blue nomination form and the form upon which nominations for the other Community awards may be made. The closing date for nominations is 3:10 p.m. on the days indicated above. Please also note that parents of students who are receiving a Certificate for Excellence / Studentship at the ceremony will receive a letter in advance. Students who are receiving an Award will receive a letter inviting them to the assembly. This letter will not detail the award, but will alert parents to the fact that one is to be presented.
