Hello Everyone

Welcome to term 4. This is a nine week term packed with lots of activities and events that will keep us very busy every week of the term. We welcome Bronwyn Smith replacing Mel Masters who is on long service leave for the whole of term 4. The operators of the school canteen have decided not to continue so we have an opening for someone to take over the contract. If you or anyone you know are interested please contact us at the school. Meanwhile I wish to thank Tia Haines and Yvonne Britza for providing a service to the school community and wishing Tia all the best for the future. I also take this opportunity to thank Julie from the Roadhouse for offering to help us by providing a modified service to our school community. I approached Julie to see if they could help us while we try to find an operator for the canteen. As a school we value and appreciate the support we get from the local business community and so we ask all students, staff and parents to acknowledge positively the help that local businesses give our school.

Our Year 12 students will commence final exams and assessments in a few weeks and the official last day of formal lessons for our year 12 students will be Friday Nov 4th. We will have a farewell assembly for our year 12 students during lesson 6 commencing at 1.20pm. We will also have a brief memorial service for the late Josh Bradtke. The Presentation Morning Assembly will be held on Thursday 24th November at 9.20am. We wish all our senior students all the best as they venture into this very busy period of the year.

A number of students have approached me about harvest leave. At Cleve we support students gaining experience in the world of work and thus will look at every request for exemption from school in a positive manner. However, before signing off on any forms requesting student leave from school for senior students, we will be requesting that all assignments and assessment pieces will have to be completed before leaving for temporary work. We believe that it is important that all school work is finished in an appropriate and satisfactory manner. I will be checking with all teachers before signing the exemption forms. We want every student to be successful at school. This means that the school work needs to be completed in a careful and diligent manner. If you have any questions or would like any further information please contact me at the school.

The next meeting of the School Governing Council is on Tuesday November 1st at 5.30pm in the staffroom. As parents you are most welcome to attend as observers. The Governing Council has also supported a pupil free day on Friday 8th December. Staff will be working on our Strategic plan, the key directions from our External review and curriculum planning for 2017. I thank the Governing council for this support.

Accelerated Reader event and Swimming Lessons. We hope everyone is feeling reenergised from the holidays and motivated to continue to develop their learning with so many extra curricular activities planned.

TEACHER VISITORS

On Sunday and Monday, our school community is hosting an Early Years conference to be held in the skills centre at Sims Farm. Stacey, Joanne and I will be joining 30 preschool and reception educators from within our Central Eyre Partnership to develop our understanding about current teaching initiatives for young children. On Monday morning, this group will be visiting our school to view an “Investigations” lesson in the Year 1/2 classroom and we thank Bronwyn Smith and the students for hosting this tour. We are certainly proud of our junior primary team, in particular Mel Masters, for initiating this personalised learning pedagogy into our junior school. This classroom has become a popular destination for a number of JP conferences this year, an excellent opportunity for educators to see current theories in practice.

We wish to thank the Sims Farm committee for allowing us to use their facilities and Deb Taheny and the Catholic Church members for catering for this event.

STAFF CHANGES

Mrs Mel Masters has taken leave this term and we welcome Mrs Bronwyn Smith to the year 1/2 classroom. Mrs Smith will teach Mondays, Tuesdays and Wednesdays and Mrs Fiona Millard continues as the class teacher on Thursday and Friday.

Book Club for Adults

We have recently started a new Book Club for the adults of the community. We will meet once per month to discuss one book. Each person in the group will get the chance to choose a book for the group to read. We will normally meet at 2pm on Wednesday afternoons. Our next meeting is at 2pm on Wednesday 2nd November and we will be discussing this month’s book “The Rosie Project” written by Graeme Simsion. There is a strong emphasis on reading in a relaxed atmosphere so if you don’t like the book and don’t want to finish it, that’s okay. Still come along to the next meeting and take part in our discussion and perhaps explain what you didn’t like about it or what book you read instead. We will also enjoy a cuppa and a chat in a friendly atmosphere. Everybody is welcome.

Book Fair

Scholastic will be displaying their Book Fair again this term, just in time for Christmas shopping. It will be on display in our library from Wednesday the 23rd November to Wednesday 7th December. All members of our community are welcome to come along and browse the books and purchase if you wish. EFTPOS facilities will be available.

Story Time / Baby Bounce

A survey has been released for Parents of young children to review our current Story Time / Baby Bounce program. Thank you to the many people who have already filled it in. There is still time though. Just head to the Cleve Playgroup and L’il Gym Facebook page or Cleve library page to fill in your anonymous survey. This data will help us to plan for the coming term and beyond to make this program more suitable for young families.

Do you feel like playing a game? How about pitting your searching skills against your child’s? Google hosts a fabulous game that changes each day entitled “Google a Day” whereby it asks you difficult to answer questions and puts you on a time limit. Use your new tips from the Cleve Area School ICT Team to streamline your work process and get the results you wish quicker by Googling like a boss!

Good Luck, and may the best researcher win!

We ask a question

“An 11-foot bird lives less than two miles from 30.891383,-102.885032. What’s his name?”

You find the answer

Put your search skills and Google’s tools to use. For instance, you can enter 30.891383,-102.885032 right inside the search bar and learn that it’s directly in the center of Ft. Stockton, TX. A quick Search for [fistine bird ft stockton TX] (or perhaps you’re the adventurous type who’ll “walk” there in Street View) and you’ll have your bird. Paisano Pete.

This assembly is on Thursday the 24th of November commencing at 9:20am in the school gymnasium. Parents, community members and friends are invited to join us as we celebrate the achievements of students and supporters of Cleve Area School in 2016. You are also invited to submit nominations in many of the award categories presented at this assembly. These are:

**Peter Treloar Citizenship Award - Student**
Sponsored by Peter Treloar MP Member for Flinders and presented to a senior student who has demonstrated outstanding citizenship qualities by involvement in a wide range of school related activities both within the confines of the school and wider school community. Selection Criteria—This award shall be presented annually to a senior student at Cleve Area School who best: brings credit to themselves and the school by their actions both within and outside the school community and who shows leadership qualities and is a good role model to other students. Please return nominations to the front office by Wednesday 26th October.

**H. D. Forgie Memorial Arts/Technology Award - Student**
This award is presented to a student in recognition of outstanding achievement in one or more areas of the Arts/Technology in the school and in the wider community. The selection criteria are achievements in examination results from school subjects and non-school subjects and leadership and enthusiasm for an area of Arts/Technology. The award is made to students from any level in the school. Please return nominations to the front office by Wednesday 26th October.

**Sports Blue Award - Student**
This is an award that is presented in recognition of exceptional performance efforts and achievements in the area of sport in the school foremost, but also in the wider community. Nominations are invited for this award and should be forwarded to the front office by Wednesday 26th October.

**Caltex All Rounder Award - Student**
This award is presented by Caltex with the objective of lending encouragement to "all round" students in their final year at school. It is not intended to recognise the champion with a speciality in a particular area that already receives acclaim. Rather it is intended for someone who participates in a wide range of school activities. Please return nominations to the front office by Wednesday 26th October.

Attached to this edition of the newsletter is a copy of the Sports Blue nomination form and the form upon which nominations for the other Community awards may be made. The closing date for nominations is 3:10 p.m. on the days indicated above. Please also note that parents of students who are receiving a Certificate for Excellence / Studentship at the ceremony will receive a letter in advance. Students who are receiving an Award will receive a letter inviting them to the assembly. This letter will not detail the award, but will alert parents to the fact that one is to be presented.
